SCHUMANN-HEINK TO SING AT RECEPTION

Chief Justice White Will Be President's Guest of Honor Tonight

Washington, Feb. 8.—Chief Justice White of the United States supreme court will be the guest of honor and Madame Schumann-Heink will be a guest and also will sing at a dinner tendered members of the court and their wives by President and Mrs. Wilson in the White House tonight. The Chief Justice, who is now 71 and still one of the most active men on the bench, will sit at Mrs. Wilson's right at the function, while Mrs. White will be at the president's right. At the president's left will be Mrs. McKenna, while Justice McKenna will sit at the left of Mrs. Wilson. The other justices and their wives will be seated in order as follows: Justice Holmes and Mrs. Holmes, Justice Day, Justice Hughes and Mrs. Hughes, Justice Van Devanter and Mrs. Van Devanter, Justice Pitney and Mrs. Pitney and Justice McKeenolds.

There will be a distinguished representative of the American concert stage at the dinner. Miss Schumann-Heink, premier singer, has been invited and following the dinner will sing for the guests. There will be a number of other prominent guests at the function, including several well known members of the bar.

TRANSFORMS COMPLEXION: WINS SOCIAL FAVORS

"Had I been unable to transform my complexion so quickly, so completely, by an unique process I had just learned of, I never could have attended the Charity Ball." A certain social favorite, a picture of loveliness at the great event, told me this. "When I beheld myself in the mirror after a night's troubled sleep, I saw I was becoming heavy-eyed and pale. I could not take, and attend the ball, the long rest my physician advised. A friend suggested I get an ounce of mercurized wax at the drug store and use it as I would cold cream. I did—the result is a treat. In a week I had a new complexion. The wax took off the old skin so gradually, there was no discomfort. Now you see the fresh, bright underkin, with its youthful glow and expression.

"The worry lines and wrinkles, which had become quite numerous, I removed very easily by simply bathing my face every morning in a harmless lotion made by dissolving an ounce of witch hazel. You see the result—my skin as smooth and firm as a school girl's."—Alice in Town Talk.

California Corporations Pay Taxes On Last Day

Sacramento, Cal., Feb. 8.—The state treasury is almost bulging over with gold, yesterday being the last day for payment of the corporation franchise and corporation license taxes.

The Santa Fe railroad handed \$477,000 in gold to the capitol during the morning, that amount being the last installment of the company's franchise tax.

The Southern Pacific sent in \$1,524,000; the Western Pacific \$68,000; the Northwestern Pacific \$97,000; the Pacific \$97,000; the Pacific Electric \$232,000 and the United Railways \$219,000. Penalties will be added to corporation taxes not paid by last night.

Mrs. Rolph Acting Mayor For Sick Husband

San Francisco, Feb. 8.—A woman's hand is guiding the majority affairs of San Francisco.

In a flower-filled room at Alder sanitarium Mrs. James Rolph, wife of the mayor, is attending to the details of all matters which come from the city hall to the sick room.

Before any question, paper or article comes before the mayor, Mrs. Rolph gives it consideration. She decides whether the mayor should take any action at this time, and if she decided in the negative, it is temporarily shelved until he becomes sufficiently strong to get down to real work.

She dictates how many bonds he is to sign each day.

"You may only sign 100 today," she declares. And only 100 are signed.

She is on guard each day to see that no weighty matters get into his hands. She dictates who may see him, and those who do are far and few between.

She watches him as he signs bonds and interrupts at the end of each few minutes and forces him to take a rest. She receives the bonds as they come and looks them over. She acts as his secretary, as well, and keeps in direct touch with the city hall.

PROPER WAY TO KEEP YOUR HAIR IN CURL

If you want your hair to grow and thrive, don't curl it with a hot iron. The regular use of this barbarous instrument is bound to keep the hair dried and parched looking, with broken and uneven ends. It's a lot more sensible to adopt the simple silmerine method, which will not interfere in the least with the growth and health of the hair. Moreover, it means a far more beautiful early and wavy effect, with no evidence of having been artificially acquired.

A few ounces of liquid silmerine—which can of course be found in any drug store—will last a long time. Just try a little of this harmless liquid, tonight. Dip a clean tooth brush into it and draw this down the full length of the hair. Silmerine, by the way, is neither sticky nor greasy; you will be simply delighted with it.

PECULIAR FACTS ABOUT WELL KNOWN PEOPLE

St. Paul, Minn., Feb. 8.—Although J. J. Hill owns a couple of railroads, several steamship lines, and part interest in several more railroads, and lives here where sub zero temperatures are common, the family does not own a limousine, traveling in an open automobile.

VERMONT MAPLE SUGAR SUPPLY IS SHORT THIS YEAR

Chicago, Feb. 8.—Vermont apparently has exhausted its maple sugar crop, and the nation's sweet tooth will lack this saccharine confection this year, Chicago dealers said today. The crop was less than half normal last year.

YOU CAN'T BRUSH OR WASH OUT DANDRUFF

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, the most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustreous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

FLOODS ARE FEARED

Washington, Feb. 7.—The weather bureau today warned against the possibility of dangerous avalanches in the mountains of Washington, Oregon and Idaho, and floods on the eastern slopes of the Cascades in Washington as the result of rains and warmth following snowstorms in that region.
